Re: *United States v. Issak Almaleh et al.*, No. 17 Cr. 25 (ER)

Dear Judge Ramos:

We write to respectfully request an extension until this Friday, October 2, 2020, of the defendants' deadline to file their reply briefs in support of their Rule 12 motions. When requesting the briefing schedule in this case, we overlooked the fact that reply briefs would be due on Yom Kippur, which is today. The defendants and one or more members of the defense are observing this holiday. We have attempted to reach counsel for the government and will update the Court with the government's position on this request promptly after learning it. Please excuse the lateness of this application.

Respectfully submitted,

/s/ Ezra Spilke
